It is not made with regards to the specific investment objectives, financial situation and particular needs of any person. It is intended for distribution only to existing and prospective investors for whom it is suitable and does not constitute an offer or solicitation to buy or sell units. Investments in the unit trusts are not deposits in, obligations of, or guaranteed or insured by ipac SG or AXA Wealth Management Singapore Pte Ltd (AXA WM) and are subject to investment risks, including possible loss of the principle amount invested. The unit values and the income accruing to units may fall or rise. Past performance is not necessarily a guide to future performance. Any forecast is not necessarily indicative of future or likely performance of the unit trust. Investors should seek professional advice and must read the prospectus before making an investment decision. The CPF interest rate for the Ordinary Account (OA) is based on the 12 month fixed deposit and month-end savings rates of the major local banks. Under the CPF Act, the Board pays a minimum interest of 2.5% per annum when this interest formula yields a lower rate. From 1 Jan 2008, the new interest rate for the Special, Medisave and Retirement Accounts (SMRA) will be pegged to the yield of 10-year Singapore government bond plus 1%. For 2008 and 2009, the minimum interest rate for the SMRA will be 4% per annum. After 2009, the 2.5% per annum minimum interest rate, as prescribed by the CPF Act, will apply to the SMRA. In addition, from 1 Jan 2008, the CPF Board will pay an extra interest rate of 1% per annum on the first \$60,000 of a CPF member's combined balances, including up to \$20,000 in the OA. From 1 Apr 2008, the first \$20,000 in the Ordinary Account will not be allowed to be invested under the CPF Investment Scheme.
